

TO WHOM IT MAY CONCERN:

ACEROS Y METALES ALTAVISTA is a proudly Mexican trading company of steel derivatives for any industry: food, pharmaceutical, manufacturing, automotive, etc.

We provide a wide range of tubes, connectors, flanges, valves, structural steel and steel stainless, & carbon steel.

Our steel derivatives are certified by the highest national and international quality standards provided by the following certifying authorities: DNV, ANSI, ASME, NACE, ASTM, API, ISO and the American Petroleum Institute.

We understand the necessity of meeting shipping deadlines. For this reason, we rely on our experienced and professional logistics team, highly compromised with punctuality.

Please allow us to help you in the development of your projects. We will be pleased to assist you through the following channels:

- Your sales agent.
- Our Customer Support Department, calling **56 11 81 26 / 56 11 81 80**, Monday to Friday from 9am to 7pm.
- Our site www.acerosaltavista.com where you will find the best service and an endless variety of steel derivatives, best price guaranteed.

YOURS SINCERELY,

Israel Jiménez
Marketing Director
